

Maggie - started in the Fall of 2024. Ever since I was in the workforce I have wanted to work at the library when I retire! I have been retired from the St Clair County Health Department for two years. I worked at the Health Department for 35 years. I am a migrant to Dupo and have only lived here since 2017. My favorite authors are James Patterson and Nora Roberts. I also like to read Danielle Steele. I enjoy meeting people, helping them and living my dream of working at the library. I love to read!
